Re: Letter of Eligibility Renewal - Associated Roofing Contractors of the Bay Area Counties, Inc. and
United Union of Roofers, Waterproofers and Allied workers, Local 27, 40, 81 and 95
Agreement Pursuant to Labor Code Section 3201.5

Dear Dr. Callahan, Mr. Waldebaur, Mr. Tucker, Mr. Ziegler and Mr. Rios:

I am pleased to advise you that based on a review of the documents and materials submitted, I have determined that the parties continue to meet the eligibility requirements of Labor Code section 3201.5. The terms and conditions for continued eligibility, record keeping and reporting requirements outlined in the letter of October 9, 2003, and subsequently, remain in full force and effect. This letter of eligibility is effective July 31, 2011, the expiration of your previous letter of eligibility, and expires July 31, 2014.

Although the letter of eligibility will expire as to the group on July 31, 2014, it may become ineffective as to an individual employer on an earlier date if that individual employer no longer carries the required workers' compensation insurance, or is no longer signatory to a current 3201.5 provision, or otherwise fails to meet the eligibility requirements of Section 3201.5.

Please submit a letter annually outlining any changes as provided by California Code of Regulations §10204(a).

I hope that this alternative workers' compensation system will be beneficial to every party and to the people of California in the years to come and that it will provide high-quality medical care, full compensation to injured workers with minimum dispute, and substantial savings to be redirected to more productive uses.

Respectfully,

Rosa Moran
Administrative Director
