Re: Construction Laborers of Southern California
Renewal of Letter of Eligibility

Dear Mr. Reinhardt and Ms. Shogren-Lies:

I am pleased to advise you that as requested in your letter dated June 20, 2011, I have found the parties to this agreement continue to meet the eligibility requirements of Labor Code section 3201.5. The terms and conditions for continued eligibility and record keeping and reporting requirements outlined in prior letters of eligibility remain in full force and effect.

This letter will permit you to continue to maintain an alternative dispute resolution system governing disputes concerning workers' compensation. It will also permit you to maintain an exclusive list of providers of medical treatment, medical evaluation, and vocational rehabilitation. Please submit a letter annually outlining any changes as provided by California Code of Regulations §10204(a). This letter is not a determination that the collective bargaining agreement itself or any part of it is in compliance with Section 3201.5.

This letter of eligibility is effective July 31, 2011, the date of the expiration of the prior letter of eligibility and will expire on July 31, 2014.

Respectfully,

A handwritten signature in black ink that reads "Destie Overpeck".
